

## HELL-O HALLOWEEN

Hell-O to the Halloween Hip Hop Bop!

You ain't ever gonna wanna stop, stop, stop!

Not even when it's midnight, 12 o'clock,

Hell-O to the Halloween Hip Hop Bop!

Groovin' at the Halloween Hip Hop Bop!

Bop 'til you drop! (Hey!) Scream and spin non-stop!

Creep, creep, crawl, now shake those bones, y'all!

From the witch's cauldron, brew a potion or two,

Black widow candy floss, sweet and new!

Guaranteed to give you a real big kick,

Come on, let's move to the creepy beat, quick!

Zombies, phantoms,

Frankenstein's rise,

Witches cacklin' under moonlit skies!

The Grim Reaper's scythe might steal your soul,

Hocus Pocus magic's out of control!

Raise your claws, raise your cup, get spooky, turn it up!

Hip-Hop Bop, don't let it stop 'til the pumpkins pop-pop-pop!

From the witch's cauldron, brew a potion or two,

Black widow candy floss, sweet and new!

Guaranteed to give you a real big kick,

Come on, let's move to the creepy beat, quick!
