

## DO YOUR CHORES

Oh when you wake up in the mornin' at a quarter to one  
And you just want to have a little fun  
You iron your clothes, you iron your clothes

Oh when you wake up in the mornin' at a quarter to two  
And you can't think of a thing to do  
You scrub the floor, you scrub the floor

Oh when you wake up in the mornin' at a quarter to three  
And your mind starts hummin' fiddle dee dee  
You shake the mat, you shake the mat

Oh when you wake up in the mornin' at a quarter to four  
And you've just heard a knock on the door  
You brush your teeth, you brush your teeth

Oh when you wake up in the mornin' at a quarter to five  
And you just want to feel a little alive  
You wash yourself, you wash yourself

Oh when you wake up in the mornin' at a quarter to six  
And you've just had a plate of weetbix  
You rub your tum, yum yum yum!  
You rub your tum, yum yum yum!

You've done your chores.  
Hey you've done your chores!
