

## HELLO NICE DAY

Hello - hello  
Nice day - nice day  
Pleased to see you - pleased to see you too  
Let's run - let's run  
Let's play - let's play  
I will talk to you - I will talk to you  
We can dance - we can dance  
And sing - and sing  
We can jump - we can jump  
And swing - and swing  
Watch me laugh - watch me laugh  
And poke a face - and poke a face  
Now we're friends - now we're friends  
Come and join us at our place

Repeat x2

Now we're friends - now we're friends  
Come and join us at our place
