

SPLISH SPLASH IN THE BATH

I love to splish, splash,
splish, splash
In the bath with you
I love to splish, splash,
splish, splash
In the bath with you

I'm gonna wash, wash, wash
your back
I'm gonna wash, wash, wash
your front
I'm gonna wash, wash, wash
your face
And your cute little button
nose

I love to splish, splash,
splish, splash
In the bath with you
I love to splish, splash,
splish, splash
In the bath with you

I'm gonna scrub-a-dub-dub
your arms
I'm gonna scrub-a-dub-dub
your hands
I'm gonna scrub-a-dub-dub
your feet
And your cute little sparkle
toes

I love to splish, splash,
splish, splash
In the bath with you
I love to splish, splash,
splish, splash
In the bath with you

I'm gonna wash, wash, wash
your back
I'm gonna wash, wash, wash
your front
I'm gonna wash, wash, wash
your face
And your cute little button
nose.

I love to splish, splash,
splish, splash
In the bath with you
I love to splish, splash,
splish, splash
In the bath with you

I love to splish, splash,
splish, splash
In the bath with you
I love to splish, splash,
splish, splash
In the bath with you!
