

STATUE SONG

"4 3 2 1"

Get down and boogie, get down and boogie.
Shake it up!
Go with the flow!
Hang loose, just like a long neck goose.
We're playing statues, we're playing statues.
We're playing the statue song
Oh yeah!

Everybody join on in, everybody join on in
Freeze!
Breathe and blink!
Hang loose, just like a long neck goose.
Don't move a muscle, don't move a muscle.
We're playing the statue song
Oh yeah!

Don't be a party pooper, don't be a party pooper.
Hey cool cat!
You're real choice!
Hang loose, just like a long neck goose.
We're having a good time; we're having a great time.
We're playing the statue song
Oh yeah!

You're out!
I have to say,
I love the smile on your face
Isn't it great!
You're such a good sport!
