

SUNSHINE MEDLEY

Jump out wide into a V jump, 4 3 2 1

You are my sunshine, my only sunshine
You make me happy, when skies are grey
You'll never know dear, how much I love you
So please don't take my sunshine away

March on the spot, and use your power arms, 4 3 2 1

Jump up and down and circle your arms in front of your body, 4 3 2 1
The sun is shining, the sun is shining
Shining, shining, shining, shining
I'm so happy; I want to jump for joy
Jump, jump, jump, jump, jump, jump for joy!

March on the spot, and use your power arms, 4 3 2 1

Jump out wide into a V jump, 4 3 2 1
You are my sunshine, my only sunshine
You make me happy, when skies are grey
You'll never know dear, how much I love you
So please don't take my sunshine away

Jump up and down and circle your arms in front of your body, 4 3 2 1

The sun is shining, the sun is shining
Shining, shining, shining, shining
I'm so happy; I want to jump for joy
Jump, jump, jump, jump, jump, jump for joy!

Small squats, throw your arms up into the sky, 4 3 2 1

So let the sunshine in, face it with a grin
Smilers never lose and frowners never win
So let the sunshine in, face it with a grin
Open up your heart and let the sunshine in
So let the sunshine in, face it with a grin
Open up your heart and let the sunshine in
