

## THE JOLLY SHIP

Oh around and around went the jolly, jolly ship  
Oh around and around went she  
Oh around and around went the jolly, jolly ship  
Till she sank to the bottom of the sea

"Pull her up, Pull her up" said the captain of the ship  
"Pull her up, Pull her up" said she  
"Pull her up, Pull her up" said the captain of the ship  
Till she pops to the top of the sea!
