

## **TWO LITTLE EYES**

Two little eyes to look around  
Two little ears to hear each sound  
One little nose to smell what's sweet  
One little mouth that likes to eat

Slice, slice, slice, the bread looks nice  
Spread, spread, spread, butter on the bread  
On the top put jam so sweet  
Now it's nice for us to eat

Two little eyes to look around  
Two little ears to hear each sound  
One little nose to smell what's sweet  
One little mouth that likes to eat

Pour, pour, pour, the milk in a cup  
Drink, drink, drink, the milk all up  
Your funny, funny, milk moustache  
It really makes us all laugh!

Two little eyes to look around  
Two little ears to hear each sound  
One little nose to smell what's sweet  
One little mouth that likes to eat
