

## **N NEST (NEST SONG)**

"N for nest, and n says n"

In a nest, high up a tree.  
Lay some speckled eggs - 1, 2, 3!  
One chick popped out and said "Good day!"  
The second little chick pecked his shell away  
And said "Let's play!"  
The third little chick said  
"I just want to rest  
In my nice warm nest  
For tomorrow I'll fly away..."
