

Y YACHT (YACHT SONG)

"Y for yacht and y says y"

I'm sailing on the sea in my white yacht
My white yacht, my white yacht
I'm sailing on the sea in my white yacht
Sailing on the sea, sea, sea

The sail of my yacht has a big blue star
A big blue star, a big blue star
The sail of my yacht has a big blue star
Sailing on the sea, sea, sea
