

D DOG (DOG SONG)

"D for dog and d says d"

I love my dog, a charming dog
A cultured dog is he
Ruff or Bud just wouldn't do
A classy name needs he

Aloysius, loyal Aloysius
Aloysius, lovable is he!

"Is your dog a pedigree?"
"He is well bred obviously"
"Intelligent?" "Naturally"
"Affectionate?" "Most definitely"

Aloysius my dog Aloysius
Aloysius my best friend is he!
