

## **SLEEPY SONGS**

Go to sleep, go to sleep  
Little darling I love you  
Go to sleep, go to sleep  
Little darling go to sleep  
Sweet dreams, sweet dreams  
Go to sleep and have sweet dreams  
Sweet dreams, sweet dream  
Go to sleep and have sweet dreams

Moonlight so sweet and pale  
From heaven falling  
Soft winds on gentle wings  
To us are calling  
Moonlight so sweet and pale  
From heaven falling  
Soft winds on gentle wings  
To us are calling  
Stars shining brightly in the night  
Moonbeams so silver bright  
Moonbeams so silver bright

Golden slumbers kiss your eyes  
Smiles awake you when you rise  
Sleep pretty darling do not cry  
And I will sing a lullaby  
Lullaby, lullaby, lullaby

Go to sleep, go to sleep  
Little darling I love you  
Go to sleep, go to sleep  
Little darling go to sleep  
Sweet dreams, sweet dreams  
Go to sleep have sweet dreams  
Sweet dreams, sweet dreams  
Go to sleep and have sweet dreams
