

FEELINGS FEELINGS

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!

Oh I feel happy, I feel happy
When you smile at me
I feel happy, oh so happy
When you smile at me

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!

Oh I feel safe, I feel safe
When you hold my hand
I feel safe, oh so safe
When you hold my hand

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!

Oh I feel proud, I feel proud
When you say "well done"
I feel proud, oh so proud
When you say "well done"

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!

Oh I feel loved, I feel loved
When you give me a hug
I feel loved, oh so loved
When you give me a hug

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!

Oh I feel special, I feel special
When you say "I love you"
I feel special, oh so special
When you say "I love you"

Feelings, feelings
They're a part of me
Feelings, feelings
Hey I just want to be me!
