

MY BEAR IS CUDDLY

My Bear is soft
My Bear is warm
My Bear is oh so very cute
He 's very snuggly
I love him muchly
He's my lovely, cuddly Teddy Bear

When I 'm tucked up in bed with my Teddy Bear
I feel safe and sound
We travel together in my sweet dream world
Until we're homeward bound

My Bear is soft, soft
My Bear is warm, warm
My Bear is oh so very cute, very cute
He's very snuggly, very snuggly
I love him muchly, love him muchly
He's my lovely, cuddly Teddy Bear, my Teddy Bear

When I 'm tucked up in bed with my Teddy Bear
I feel safe and sound
We travel together in my sweet dream world
until we're homeward bound, homeward bound

My Bear is soft, soft
My Bear is warm, warm
My Bear is oh so very cute very cute
He's very snuggly, very snuggly
I love him muchly, love him muchly.
He's my lovely, cuddly Teddy Bear, my Teddy Bear

Goodnight my Teddy
Sleep tight my Teddy Bear
I love you!
