

THE MONSTER DANCE

First you stomp your monster feet side to side
Then you swing your claws out nice and wide
Grapevine on the floor with a monster grin
Then you growl out loud and you spin, spin
spin!

Stretch your monster arms way out in space
Do a wobbly walk all over the place
Shake your monster head and hold your stance
Now that's what I call a Monster Dance!
Now that's what I call a Monster Dance!
