

9 SHELLS

1, 2, 3, 4, 5, 6, 7, 8, 9

Numbers 1 to 10 Gus would love to teach
While he's having fun playing at the beach
Hey are you standing and waiting in line
Drum roll please for number nine!

Gus the sandcastle you've created
Looks just lovely decorated
With nine shells that you've found
Lying scattered on the ground
It's cool, well done, bravo
You're one clever hippo!
