

## LITTLE RABBIT FRU FRU

Little Rabbit Fru-Fru running  
through the forest  
Swishing up the field mice  
and bopping them on their  
heads

Then along came a good  
fairy, and she said

Naughty Rabbit Fru-Fru I  
don't want to see you  
Swishing up the field mice  
and bopping them on their  
heads

So I'll give you three chances  
But the next day

Little Rabbit Fru-Fru running  
through the forest  
Swishing up the field mice  
and bopping them on their  
heads

Then along came a good fairy  
And she said

Naughty Rabbit Fru-fru I  
don't want to see you  
Swishing up the field mice  
and bopping them on their  
heads

So I'll give you two more  
chances  
But the next day

Little Rabbit Fru-Fru running  
through the forest  
Swishing up the field mice  
and bopping them on their  
heads

Then along came a good fairy  
And she said

Naughty Rabbit Fru-fru I don't  
want to see you  
Swishing up the field mice  
and bopping them on their  
heads

So I'll give you one more  
chance  
But the next day

Little Rabbit Fru-Fru running  
through the forest  
Swishing up the field mice  
and bopping them on their  
heads

Then along came a good fairy  
And she said

Naughty Rabbit Fru-Fru I  
don't want to see you  
Swishing up the field mice  
and bopping them on their  
heads

You've got no chances left  
So she turned him into a frog!
