

## LULLABY MEDLEY

Twinkle, twinkle little star  
How I wonder what you are?  
Up above the world so high  
Like a diamond in the sky  
Twinkle, twinkle, little star  
How I wonder what you are

Sleep, baby sleep, thy father  
Tends the sheep  
Thy mother rocks the  
Slumber-tree and softly falls  
A dream for thee  
Sleep, baby sleep

Golden slumbers kiss your  
eyes  
Smiles awake you when you  
rise  
Sleep, pretty darling, do not  
cry  
And I will sing a lullaby  
Lullaby, lullaby, lullaby

Care you know not, therefore  
sleep  
While I o'er you watch do  
keep  
Sleep pretty darling, do not  
cry  
And I will sing a lullaby  
Lullaby, lullaby, lullaby

Lullaby, my pretty one  
Gone the day and set the sun  
Lullaby, my pretty one  
And sleep until the morning  
And sleep until the morning

Rock-a-bye baby on the tree  
top  
When the wind blows the  
Cradle will rock  
When the bough breaks the  
Cradle will fall and down  
Will come baby  
Cradle and all

Twinkle, twinkle little star  
How I wonder what you are?  
Up above the world so high  
Like a diamond in the sky  
Twinkle, twinkle, little star  
How I wonder what you are
