

## **HEY, DIDDLE DIDDLE**

Hey diddle diddle  
The cat and the fiddle  
The cow jumped over the moon  
The little dog laughed  
To see such fun  
And the dish ran away with the spoon

Oh!

Hey diddle diddle  
The cat and the fiddle  
The cow jumped over the moon  
The little dog laughed  
To see such fun  
And the dish ran away with the spoon
