

I've BEEN WORKING ON THE RAILROAD

I've been working on the railroad
All the livelong day
I've been working on the railroad
Just to pass the time away

Can you hear the whistle blowing?
Rise up so early in the morn
Can you hear the conductor shouting?
Steam engine blow your horn

Smoke stack won 't you blow
Smoke stack won 't you blow
Smoke stack won 't you blow your horn?
Smoke stack won 't you blow
Smoke stack won 't you blow
Smoke stack won 't you blow your horn?

Fireman puts the coal in the fire box!
The flagman check the tracks, tracks, tracks, tracks
The brakeman cleans the headlights
And the conductor is the boss of the train!

So, singing
Huff, puff huff, puff, puff
Huff, puff, huff, puff
Huff, puff, puff, puff
Huff, puff, huff, puff, puff
That 's how the smokestack blows!
