

## **TRANSPORT RAP**

Here is the steam train  
Coming down the track  
Now it's going forward  
Now it's going back  
Now the bell is ringing  
Now the whistle blows  
Wow what a lot of noise it makes  
As the engine slows!

Here is an airplane  
Flying through the sky  
See the plane flying low  
See the plane flying high  
Now lots of dripping drops of rain  
Falling from the clouds  
Hear the thunder clapping  
Really, really, LOUD!

Here is the moon so big and round  
Here is the rocket ship on the ground  
Two astronauts will ride this ship  
Up the ladder, quick, quick, quick!  
On go the helmets, down goes the mask  
Astronauts ready for their task  
Countdown begins 3, 2, 1!  
The outer space journey has begun!
